PRESIDENT

### Recent Work Experience

- **Brazoria County Jail**  
Our team provides comprehensive healthcare services, both medical and mental health, to the 850 inmate patients incarcerated at the Brazoria County Jail in Angleton, Texas.
- **Federal Corrections Complex Tucson**  
Our team currently manages the long-term care services for the Federal Bureau of Prison's Correctional Complex in Tucson, Arizona. In this capacity, we provide inmate patients access to a long-term care services and sub-specialty providers in a manner that transitions patients from a hospital level of care to a long-term care facility and then back to the Bureau in a fluid and clinically appropriate manner.
- **California Attorney General's Office (medical services)**  
For the past 6 years our team has assisted the California AG's office with various correctional healthcare management programs in their ongoing oversight by the Federal Courts. Some of this work has included policy reviews, staffing analysis, standard-of-care practices, and sub-specialty care management and contracting.
- **California Attorney General's Office (mental health services)**  
Our team has been under contract with the California Attorney General's office since late 2017, assisting CDCR with various mental health staffing and operational programs.
- **State of Vermont, Department of Corrections**  
Our team assisted the DOC in its effort to assess the performance of its third-party contractor in their delivery of care. This project included a review of staffing plans, organizational structure, pharmacy operations, and adherence to practice standards.
- **Washington DC Jail System**  
Our team worked with the Washington DC Jail system to evaluate the cost and relative performance of its third-party contractor. This project included the review of staffing plans, the jail's organizational structure, its projections for growth, and the relationship between community care organizations and the jail.
- **Sutter County, California**  
Our team worked with the Sutter County Board of Governors and the Sheriff's office to evaluate its current jail healthcare programs, staffing, physical plant layout, offsite care contracting, and claims management systems.
- **Pelican Bay Prison, California**  
Our team assisted the California AG's office in reviewing the healthcare practices within the Pelican Bay Administrative Segregation facility.
