

JOHN S. PULVINO PA-C

ASSOCIATE

Recent Work Experience

- **Senior Director of Quality, Research /Risk Management, UTMB Correctional Managed Care**
Responsibilities include; initiatives related to healthcare quality including identification of clinical outcomes, measurement systems and quality improvement processes. Since the inception of the program, CMC has successfully reached or surpassed industry and Medicare standards for clinical outcomes and has achieved accreditation by the American Correctional Association healthcare division.
- **Senior Director of Outcomes, Research and Utilization Management**
Responsibilities included leading the infrastructure building for assessing clinical outcomes, implementing case management and inpatient management, and creating a liaison function between UTMB-CMC and the Texas Department of Criminal Justice, the state parole division and UTMB campus specialty services.
- **State of Vermont, Department of Corrections**
As part of the J Allen and Associates team, I assisted the DOC in its effort to assess the performance of its third-party contractor in their delivery of care. This project included a review of staffing plans, organizational structure, pharmacy operations, and adherence to practice standards.
- **Pelican Bay Prison, California**
As part of the J Allen and Associates team, I assisted the California AG's office in reviewing the healthcare practices within the Pelican Bay Administrative Segregation facility.
- **State of Vermont, Department of Corrections**
As part of the J Allen and Associates team, I assisted the DOC in its effort to assess the performance of its third-party contractor in their delivery of care. This project included a review of staffing plans, organizational structure, pharmacy operations, and adherence to practice standards.
- **California Attorney General's Office (mental health services)**
As a member of the J Allen and Associates team, I worked with the California Attorney General's office since late 2017, assisting CDCR with various mental health staffing and operational programs.
- **California Attorney General's Office (medical services)**
For the past 6 years, the J Allen and Associates team has assisted the California AG's office with various correctional healthcare management programs in their ongoing oversight by the Federal Courts.
