

OWEN J. MURRAY, DO, MBA

SENIOR ASSOCIATE

Recent Work Experience

- **Vice President, Offender Health Services, UTMB Correctional Managed Care**
Elected to seat on American Correctional Association (ACA) Commission on Accreditation for Corrections (Health Care). Responsible for all clinical and non-clinical operations of the University of Texas Medical Branch Correctional Managed Care program. Oversight of UTMB CMC's \$700M annual operating budget. Oversight of UTMB CMC's 5,000 medical, mental health, and dental staff.
- **Illinois Department of Corrections**
I am currently providing correctional medical and mental health expertise and guidance to the Illinois Attorney General's Office and the Illinois Department of Corrections. These services are primarily related to the state's Lippert v. Baldwin class action suit.
- **Arizona Department of Corrections**
I am currently engaged with the Arizona Department of Corrections and their Federal oversight of the medical delivery system. My duties are primarily associated with review of medical practices by the third-party contractor on behalf of the State and the State's Attorney General's Office.
- **UTMB-Executive Director for Clinical Services & Chief Physician Executive, Correctional Managed Care**
- **UTMB-Instructor in Institutional and Correctional Health Department of Preventive Medicine and Community Health**
- **California Attorney General's Office (mental health services)**
As a member of the J Allen and Associates team, I have been under contract with the California Attorney General's office since late 2017, assisting CDCR with various mental health staffing and operational programs.
- **Pelican Bay Prison, California**
As part of the J Allen and Associates team, we were tasked with determining the effectiveness of the medical programs available to the inmates housed in the Special Housing Unit (SHU) and the long-term effects of this care model on certain chronic diseases.
- **California Attorney General's Office (medical services)**
For the past 6 years, the J Allen and Associates team has assisted the California AG's office with various correctional healthcare management programs in their ongoing oversight by the Federal Courts.
