Recent Work Experience

- **Associate Vice President, Inpatient Operations, UTMB Correctional Managed Care**
Provides staff leadership, supervision, and direction in the planning, development, and implementation of operational plans for UTMB Correctional Managed Care (UTMB-CMC) inpatient medical, mental health, and geriatric facilities. Visits assigned facilities and provides appropriate guidance to support the achievement of established goals. Oversees the implementation of the assigned facility/clinic budgets and works to achieve budgeted operational results on target. Prepares all cost reduction, operational improvement, business, and strategic plans for UTMB-CMC.
- **Director of Operations, Northern Division, UTMB Correctional Managed Care**
Provided administrative and leadership expertise in the redesign, development, and management of UTMB-CMC operations based on the identification, definitions, and solutions of systems problems through operations analysis and quality assessment. Prepared all division budgets, operational improvement, business, and strategic plans for UTMB-CMC. Developed, implemented, and maintained operational procedures and standards for interfacing between UTMB and Texas Department of Criminal Justice (TDCJ) computer systems and computer operation processes. Advised regional managers on UTMB and TDCJ administrative policies and procedures, technical problems, priorities, and methods.
- **Executive Director, Clinical Programs, UTMB Correctional Managed Care**
Provided management, operational direction, and leadership to support the delivery of clinical programs to the correctional health care operation. Conducted program reviews with management staff to determine productivity, efficiencies, and effectiveness of services
- **California Attorney General's Office (mental health services)**
As a member of the J Allen and Associates team, I have worked with the California Attorney General's office since late 2017, assisting CDCR with various mental health staffing and operational programs.
- **Pelican Bay Prison, California**
As part of the J Allen and Associates team, we were tasked with determining the effectiveness of the medical programs available to the inmates housed in the Special Housing Unit (SHU) and the long-term effects of this care model on certain chronic diseases.
- **California Attorney General's Office (medical services)**
For the past 6 years, the J Allen and Associates team has assisted the California AG's office with various correctional healthcare management programs in their ongoing oversight by the Federal Courts.
